This report reveals the activities of Uni Disaster Management & Rural Development Society for the financial year 2006-2007. It is also highlight the project areas in the state Delhi for immediate action on priority basis.

UNI DISASTER MANAGEMENT & RURAL DEVELOPMENT SOCIETY'S ACTIVITIES

This year UDMRD took positive more under various social development imperative which were the need of the time. In the field of Disaster management, Education, Health economic and rural Development UDMRD was stringing for its excellence. It had tried to implement every project satisfactory. The following Programmes were implemented during the year.

1. Disaster Relief Activities
2. Educational Activities
3. Health Related Activities
4. Economic Related Activities
5. Our Future Vision

1. DISASTER RELIEF ACTIVITIES

Man is helpless before natural calamities. In the year of 2006, different states has also faced such type of devastation, as flood washed away different parts of different stales causing unbearable loss of houses crops and also human lives. UDMRD taught so many people about fire, flood and other disaster.

2. EDUCATIONAL ACTIVITIES

UDMRD has given equally importance to educational Programme on Printing levels higher levels and Balwarls.

For weak and dropout students UDMRD has arranged remedial coaching for 5 to 7 classes to enable them to compete with other students in normal course and take admission in higher classes of good institutions. Though number is not very high but weak students have developed their studies under the case of competent teacher.

Four Balwaries are working very well with the help of 4 educated Girls and 2 women volunteer.

Regular house to house visits were undertaken to establish communication and their counseling for improving the family and surrounding environment for children growwth and development. 150 Children from 1 & ½ were provided matrition and oriented for personnel hygience and learning while playing together.

3. **HEALTH RELATED ACTIVITIES**

(a) **Pulse Polio Moralization**

Our NGO has organized so many meeting for successful implementation of the Pulse Polio Programme.

(b) **Reproductive and Child Health :**

In rural and remote areas health care mother and child is unknown thing even in urban areas people of working and illiterate class take no measures to protect and health of their families. We started to conduct survey & provide preliminary information on this topic.

4. **ECONOMIC RELATED ACTIVITEIS**

(a) **Formulation of SHG**

Under this ochame usually 4 to 6 person mostly women of a locality living below the poverty line from a group with the aim of changing their fate.

6 Girls area frained for sewing & sewing & Stitching. The production was undertaken for liven cloth and handicrafts.

(b) **UDMRD SALESMENSHIP AND MALEETING MANAGEMENT TRAINING.**

Salesmanship and management are a boon to the business and industry, which can yield the optimum result out of human efforts on the desired direction.

UDMRD had conducted survey and organized seminars and training camps to develop the from an teaching of such important skills.

5. **OUR FUTURE VISION**

(a) **Disaster Management Programme**

Disaster Management Programme to cope with the natural activities.

(b) NREGA Scheme to be popularized and its implementation with the help of Rural Development Ministry is proposed.
